Dear Mr. Newman,

Thanks for your message--and I have heard from Tom Serfass also this afternoon. No need to worry--I see that you both have had more important things to think about! I hope your surgery was successful. I had thought my e-mail might be getting lost in cyberspace, on top of our delays in regular mail (which no one expects--even I can't believe it, and mail has been difficult for a year now, getting more complicated rather than simpler as time goes on).

I'm glad you can send the photo by FedEx--and I don't anticipate any problem with timing. Please let me know what the cost will be, and we can send a check in payment. (I ask about credit cards because that is easier for us at this point.)

I appreciate your help and your concern.

Evelyn

Dear Ms. Sinclair: I am so sorry you are having so much trouble with your request for the above earliest view of St. Louis which we were glad

to permit you to use. I never realized it would take 6 weeks for you to

receive mail from here. I will look for an 8 x 10 positive but may have to

have one made for you. I will have it sent by FEDEX as you prefer either by

Tom Serfass or otherwise. The cost if any we will include in the FEDEX. We

do not have ability to accept a credit card. I could not answer your 12/ 5/

2002 Email to Tom Serfass because I had eye surgery on Dec. 10. I hope the

delays will not inconvenience you too much. I assumed that you already had

obtained a print because I had not heard further from you. I am glad you

followed upon the matter. Eric P. Newman

Dear Mr. Newman,

The 8x10 glossy of the view sounds good. Please let me know how we should identify it in the caption.

The FedEx address is Evelyn Sinclair, Library of Congress Publishing Office, c/o 208 Second Street SE, Washington, DC 20003. (Phone 202 707-6069.)

Thank you very much. Best wishes for the holidays and the new year!  
Evelyn

Dear Ms. Sinclair: I located a glossy 8x10 of the view of the city but it

does not include the bank note text surrounding the view. I also have an 8x14

superb photocopy of the entire bank note. Are you planning to use the bank

note or the view of the city only? Since this is a line engraving item the

photocopy is sharp

Please let me know which one to send. Eric P. Newman
